

# CONTENT WRITING

PRICING: \$82.50 PER HOUR

Your words are your sales pitch to your clients, your customers, and your audience. If the words you choose to use are not delivered correctly their impact is wasted and so is your time. We focus on creating powerful, lasting impressions to compliment other areas of your business to showcase the 'full package'.

## PREVIOUS PROJECTS UNDERTAKEN

- eBook creation and publishing
- Magazine articles
- Advertising material
- Promotional material
- Website content
- Blogs
- Product descriptions
- Interviews
- Scripts
- Newspaper articles

### Developing Leadership Skills

\$19.00

This course gives the learner phenomenal tips and examples of what makes a good leader and what doesn't. You will see exactly how and why people respond and what works best to gain amazing results.

- Study Duration: 5 hours
- Time Given: 2 weeks

### Bullying and Emotional Intelligence

\$19.00

At some stage in everyone's life we will all experience bullying whether first hand, second hand, or hopefully not, by being the aggressor. When this is explained with Emotional Intelligence and by focussing on personal growth, we can see that bullying is actually a sign of immaturity.

- Study Duration: 5 hours
- Time Given: 2 Weeks
